

MOBILE CLINIC CONVERSION

Sai Raj is committed to providing state-of-the-art ambulances and mobile clinics. Our vehicles are designed with precision and feature a variety of configurations to cater to different medical requirements.

Our fleet includes diverse vehicle types, ranging from vans, trucks, and 4x4s, equipped with a comprehensive selection of medical equipment from trusted suppliers to ensure optimal patient care.

At Sai Raj Limited we produce excellent quality conversions and custom build vehicles for ambulance services and patient transport services.

These include:

- Endoscopic clinics
- Maternal clinics
- COVID vaccination clinics
- Dental clinics
- Optical clinics
